#### NOTIFICATION.

No. 25—L. C., dated 22nd July 1908.

Under Rule 40 of the rules for the conduct of business of the Mysore Legislative Council, the following report of the Select Committee appointed for the consideration of the Bill further to amend the Code of Civil Procedure is published for general information with the Bill as passed by them.

By Order,

C. S. BALASUNDARAM IYER,

*Secy., Legislative Council.*

#### Report of the Select Committee appointed for the consideration of the Civil Procedure Code Amendment Bill.

We the members of the Select Committee appointed for the consideration of the Bill further to amend the Code of Civil Procedure beg to submit the following report to the Council:—

On a careful consideration of the Bill and the several representations received thereon we have resolved that the Bill be approved with the modifications made in it

at the Council Meeting held on Monday, the 24th February 1908, and returned to the Council.

We are however of opinion that if sub-clauses (a) and (b) of clause (1) of Section 310A be removed and the words "before such sale" be added after the word "acquired" in the body of the said clause, the benefit of the section would be extended and we would accordingly suggest that the proposed amendment may be incorporated in the present Bill.

A. RANGASWAMI IYENGAR.

S. NARAYANA RAO.

M. C. RANGIENGAR.

The words proposed to be added are understood, and there seems no objection to the addition being made, though I doubt whether there have been any instances of hardship caused by a too liberal interpretation of the section as its present wording stands.

To the further recommendation made by the Select Committee whose last meeting I was unavoidably prevented from attending, I regret my inability to agree. Where the applicant is a person whose title has been acquired subsequent to attachment or mortgage decree, I see no reason why he should not be required to pay the whole of the decretal amount before he could succeed.

C. SRINIVASIENGAR.

### **A Bill further to amend the Code of Civil Procedure.**

2. The following shall be added between sub-sections (1) and (2) of the said section:—
